

# Potential Synergies with Dover

---

- Offering long haul flights for inbound passengers connecting to cruise departures from the Port of Dover
- Connections for business and leisure travellers to the KLM global network via Schiphol (top priority – Viking Maritime Skills Academy)
- Resident low cost carrier offering regular flights to leisure destinations in Europe
- Development of inbound tourism programmes with Visit Kent and local tourism offices – huge opportunities starting with 2020 Open Golf
- Shipping re-cycled aluminium and other materials from re-cycled aircraft through the Port of Dover
- Building a long term strategic planning dialogue with the Port of Dover
- Reinstating the Manston Airport consultative committee to include representatives of Dover DC plus parishes and local groups
